MEMORANDUM FOR: Deputy Director for Administration

SUBJECT : Communications Security Support, 1979-1982

REFERENCES : A. DDA 77-0043 dated 7 Jan 77  
 B. [REDACTED] Office of Communications  
 C. OTS Memo to C/OC/CS dated 17 Nov 76  
 D. OTS Memo to Director of Communications  
 dated 4 Jan 77

1. The Directorate for Science and Technology has reviewed requirements for communications security support for DDS&T programs for the period 1979-82, as you requested. That review has revealed several DDS&T requirements for communications security support consistent with Ref B above.

2. The Office of Technical Service forwarded to the Office of Communications a preliminary list of these requirements (Ref C) and a communication dealing with the [REDACTED] program (Ref D). The specific OTS requirements consistent with Ref B above are:

25X1D

25X1D

3. The Office of Development and Engineering has recently completed their anticipated communications security requirements. Al-

7 JAN 1977

MEMORANDUM FOR: Deputy Director for Science and Technology

FROM : John F. Blake  
Deputy Director for Administration

SUBJECT : Communications Security Support, 1979-82

REFERENCE : A. NFIB-D-63.11/13 dated 11 June 1976  
B. NSDM 333, dated 7 July 1976

1. It is requested that the DDS&T requirements for communications security support for the program period 1979-82 be forwarded by 30 January 1977.

2. Support to a limited number of DDS&T projects is now being provided but the references and indications from your offices indicate a substantial increase in support required over the subject program period. Requirements appear to include both space and traditional ground-based communications.

3. The Director of Communications who is this Agency's COMSEC authority requires this information to program and allocate the resources necessary to provide cryptographic, transmission and emanations security for DDS&T managed projects and programs.
